PRODUCT OVERVIEW

Tru-Post® Stainless Steel Torch— TS-OL12SS

Our Stainless Steel Torch boasts a modern design with an OEM look, featuring our custom patented Deck and Fence post caps. The wind-resistant canister ensures a bright, steady flame. It's easy to assemble with four components: a black powder-coated aluminum basket, weather-resistant stainless steel canister, a 12" black aluminum stem, and one of our custom post caps.

- Wind-Resistant Flame: Specially designed canister keeps the flame bright even in windy conditions.
- Easy Assembly: Simple four-piece construction for quick setup.
- Durable Materials: Stainless steel and powder-coated aluminum for long-lasting, weather-resistant use.
- Customizable: Compatible with our patented Deck and Fence post caps for a tailored fit.

WARRANTY

- Tru-Scapes Lighting Sockets have a Lifetime Warranty.
- Light fixtures of brass, copper or stainless steel, aluminum, including finishes are warranted for five (5) years.
- LED Bulbs are warranted for five (5) years or 30,000 hours, whichever comes first.
- Stainless Steel, Painted and Weatherproof (plastic housing) transformers, excluding timers and photo cells, are warranted for five (5) years for the original purchaser.
- Tru-Scapes warranties do not cover plants that die or burn because of continuous light shined on them. This is not a defect, but the inherent nature of such plants. Certain acid loving plants such as arborvitae, pine trees, and others must not be exposed to light of any kind for more than 18 hours a day as these plants need time to sleep and allow photosynthesis to naturally occur.
- Low voltage landscape lighting fixture housings made of brass do naturally patina in color which is not a defect. (Please see www.Tru-Scapes.com for cleaning instructions.)
- See our full Warranty details at www.Tru-Scapes.com/faq.

CERTIFICATIONS

Indicates the product meets safety standards tested by Intertek.

Signifies the product has passed safety tests by Underwriters Laboratories.

Ensures the product is dust-tight and highly water-resistant.
